

Sage SalesLogix

Specifically designed for small to medium-sized businesses and divisions of large corporate organisations.

Sage SalesLogix is a **customer relationship management (CRM)** application that allows you to acquire, retain and develop profitable customer relationships.

It's far more than just a sales and marketing tool, Sage SalesLogix will enable teams right across your business to **build strong relationships** with prospects and customers.

Sage SalesLogix can help you:

- Deliver effective marketing campaigns
- Manage your sales pipeline
- Deliver outstanding customer service
- Give your people a 360-degree customer view by consolidating sales, marketing, support and service information
- Build and strengthen relationships with customers to keep them coming back
- Reduce customer frustration by not asking the same questions over and over
- Customize the software to meet your exact needs
- Plus, choose the deployment method(s) to suit your business: Microsoft®Windows, Web or Mobile
